Re: Visiting Community Servants

Dear Parent,

Next Wednesday, December 5th our Team Kids will be visiting some of our Appling community servants at the local Fire Station and Sheriff's Department located on Columbia Road. The children have made thank you cards and they will be delivering those along with some goody bags to the people who help keep the people of Appling safe. We look forward to our 4 & 5 year olds having the opportunity to love and reach these important community servants. This trip provides a chance for even our youngest of children to be *on mission* for Jesus without even leaving Appling!

Here is some general information you will need to know about next Wed:

- We would like all of the Team Kids children to ride the church bus! Parents are invited to join us. There should be plenty of room on the bus for parents but if we happen to run out of space, you are welcome to follow the bus in your personal vehicle.
- Your child is **required to ride in a booster seat on the bus.** (*Ga State Law*) Our bus is equipped with seat belts. We will ensure that everyone is buckled in and riding safely!
- All Team Kids must have a signed permission form from their parents. (*Even if you are planning to go with us.*) A permission form is enclosed with this letter. ***Your child will not be allowed to attend without a signed form.***
- If your child brings a friend to Team Kids on December 5th, the friend must have a permission form signed by their parent. ***Please do not ask our leaders to allow you to sign a form for any child other than your own as they are not permitted to do that.*** Thank you in advance for helping us to make this a safe night for all who attend. Additional information forms/permission forms are available on our church website (www.kiokee.org) under Children's Discipleship Classes.

We look forward to seeing you next Wednesday at 6:15 p.m.!

Declaring His Greatness,
Team Kids Leaders
