Why the Cross Matters

Romans 3: 20 - 31
(Romans 1: 18 - 3: 20)

Hook:

Do you think people are, in general, better off or worse off than they were fifty years ago? Why or why not?

Head:

What do we need saving from?

What is our greatest problem?

How has the righteousness of God been manifested?

What is the purpose of the law? What does it reveal?

How does salvation come to us?

What does justification mean?

Heart:

What's wrong with the idea that we can correct our problems by getting right with man?

Why is this idea appealing?

How does Jesus' teaching of the greatest commandment(s) help us understand this?

Steve mentioned that the New Testament does not contain a new plan of salvation. What did he mean by that?

What happened at the cross (think of the key four words Steve mentioned)?

Which of these four resonates the most with you?

Why does the cross matter?
