# Not Adrift

## Safe and Secure

Romans 10: 4 - 13

### Hook:

Oftentimes a compelling advertisement on TV ends with the phrase. "Some exclusions may apply." How, if at all, does that phrase land with you?

### Head:

How did Moses describe the righteousness that comes by the Law?

What are the two ways of righteousness mentioned here? (one is effective, one isn't)

In review, what is the purpose of the Law?

What is the promise given to anyone who puts their faith in Christ?

What about those who put their faith in anything else?

What three things does Paul mention to illustrate the availability of the True Way?

### Heart:

How do people you know try to prove themselves to God?

How have you pursued a false sense or righteousness? How do you know when you are drifting toward those tendencies again?

How would you explain the concept of faith to a non-believer?

If a follower of Christ is wanting to increase their faith, what would you tell them?

How often do your mouth and heart get out of alignment?

Sometimes passages and sermons like this really appeal to our intellectual side and help us understand. How can this passage help your heart experience and cling to the truth of the gospel?

### Hands:

What is your takeaway from today's message?

Kiokee Baptist Church exists to...  
declare the greatness of God... as He transforms lives by loving and reaching people... and making disciples of Jesus.
