

**Hook:**

In our daily, hourly moment to moment walk. Do we...

- A - continue in steadfast prayer
- B - watch
- C - seek wisdom
- D - make the best use of our time

**Head:**

How does Paul instruct us to pray (Colossians 4: 2 - 4)?

What else should we consider if we desire to engage with God (vertically) in prayer?

Can you think of people in Scripture who devoted themselves to prayer?

If someone in line at the grocery store overhears our speech, what should they be hearing?

Where was Paul when he wrote this letter? What was his prayer request? If you were in a similar position, what would your request be?

**Heart:**

How often do you pray for others?

In your daily walk, do you consider your thoughts and actions in "Christ mode"?

Do you consider in your planning that which is better for Christ, the church, and the kingdom or what is expedient?

What does it feel like to be an outsider?

In what ways has your tongue been a poor witness for Jesus?

In what settings do you come across non-Christians? How can you make the most of the opportunities you have with them?

**Hands:**

In his sermon, Steve mentions three action points for this passage: We pray. We walk. We Speak. What's one thing you could do to increase your engagement in these ways?

Where do I start in this process?

- Reading God's Word daily
- Praying daily for events to come, that occur and outcomes on the other side.
