A Time for Laughter

Thoughtful, Hopeful, Hintful Christmas Gifts

Ron used up a lot of 2024 suggesting to his wife Diane that she was gaining weight and getting out of shape. This year's gifts from her to him included designer underwear that is one size smaller than what he has been wearing; a 34-inch UGA belt; his current belts are 38 inches; a Go Dawgs cap that is the perfect fit for their 10-year-old grandson.

Peter's parents gave him a certificate for an 8-week summer camp in the Smoky Mountains. He is so excited but not as much as his younger sister Debbie. The gift was her idea. Now she can look forward to an 8-week span where she will not have to endure Peter's pestering.

The Twisted Tongue

How many deer could a reindeer reign in the rain if a reindeer could reign deer?

A Quote to Note

Christmas means not just hope for the world, despite all its unending problems, but hope for you and me, despite all our unending failings.

– Tim Keller (1950-2023)
