Shoes' Messages to Wearers

My mate and I are size 7. I know we were half-price when you bought us. But your feet are size 8 and wide. We do not appreciate the discomfort that your feet inflict on us.

Please get a pedicure. I and the rest of your shoes are tired of getting stabbed.

Is it too much to ask of you to wipe the dust and dirt off us before you kick us under the bed where there is more dust and dirt?

We stilettos are organizing. There is a critical need for age and weight restrictions on who can wear us!

A Quote to Note

The preaching that this world needs most is the sermon in shoes that are walking with Jesus Christ.
