### A Time for Laughter

#### LEFT BEHIND

"You just go ahead, the man in Home Depot said to his wife. "While you're looking for wallpaper, I'll just walk around,"

"Fine," she responded. "I'll meet you back here in twenty minutes."

When she returned, she saw her husband waiting in the line at the checkout counter. His shopping cart was overflowing with tools and supplies. "Are you buying all this? She asked incredulously.

"Well, yes," he said, somewhat embarrassed. Then waving his arms toward the interior of the store, he added, "But look at all the stuff I'm leaving behind!"

#### TRAPS

A golfer took three shots to get out of a sand trap, When he finally reached the green, he commented rather loudly, "I find the traps on this course to be very, very annoying!"

"Me, too, his fellow competitor commented. :Now close yours while I putt."

The *Twisted* Tongue  
Singing Sammy sung songs on sinking sand.  
Five frantic frogs fled from five fierce fishes.  
Tie twine to three tree twigs.

### A Quote to Note
