A Time for Laughter

FRUSTRATION

James, a very serious golfer, was on vacation and went to the golf course by himself. He got paired with another vacationer who after 14 holes commented, "I have never played this badly before."

To which James responded. "I didn't realize that you had ever played golf before."

THE CADDIE

After a series of disastrous holes, Will, in an effort to smother his rage, laughed and said to his caddie, "This golf is a funny game."

"Sir, it's not supposed to be," the caddie responded.

GOLF QUOTES

Bruce Lanksy: Talking to a golf ball won't do you any good unless you do it while your opponent is teeing off.

Paul Harvey: Golf is a game in which you yell 'fore,' shoot six and write down '5.'

Harvey Penick: Golf tips are like aspirin. One may do you good, but if you swallow the whole bottle, you will be lucky to survive.

Mark Twain: Golf is a good walk spoiled.

The *Twisted* Tongue

Clever caddies carefully carry clinking clubs, crossing cold, crisp courses cunningly. Clever caddies carefully carry clinking clubs, crossing cold, crisp courses cunningly. Clever caddies carefully carry clinking clubs, crossing cold, crisp courses cunningly.

A Quote to Note

There are far more important things in life than making a putt or missing a putt or winning a championship or losing a championship.
